SECTION 203 OF THE VOTING RIGHTS ACT: INFORM, ASSIST & ENFORCE

When Congress amended the Voting Rights Act in 1975 by adding Section 203, it found that "through the use of various practices & procedures, citizens of language minorities have been effectively excluded from participation in the electoral process.

**Montgomery County's consent decree was established in 2002.*

ENGLISH REQUIREMENTS & NATURALIZATION

In order to become a naturalized U.S. citizen, most applicants need to show that they can speak, read, and write in English. **HOWEVER**, if you are age 50 or older and have lived in the U.S. as a green card holder (permanent resident) for at least 20 years, you can have the citizenship interview conducted in your native language. Individuals age 55 or older (at the time of naturalization filing), with a valid green card, and have lived in the U.S. for 15 years, can also leverage the following exemption.

*Commonly referred to as the “50/20 or 55/15” exception as per the U.S. Citizenship & Immigration Services & Department of Homeland Security
